Makie, you look down. Is something wrong?

I know how you feel.
Oh, that must've been a shock!
When I went back home... I was in the bath and my dad came in by mistake ...
WHAT?!

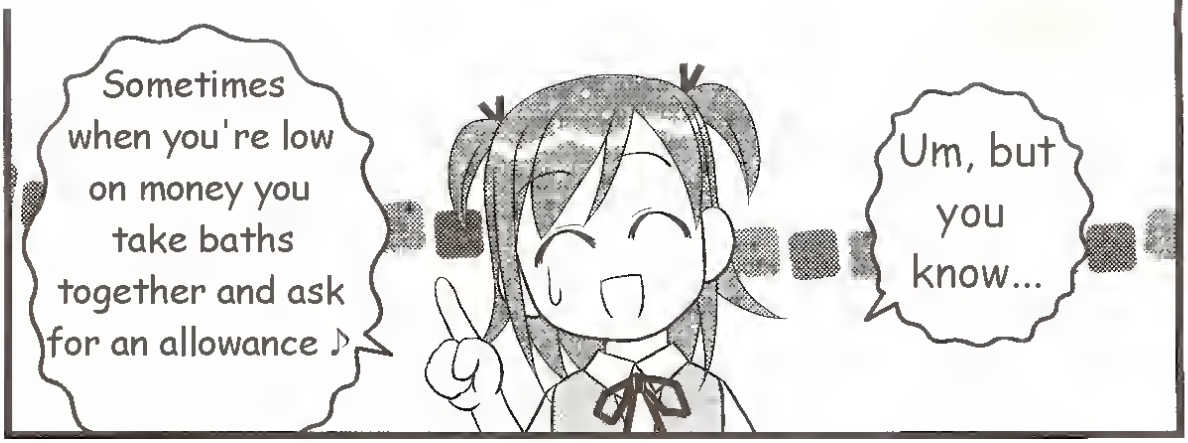
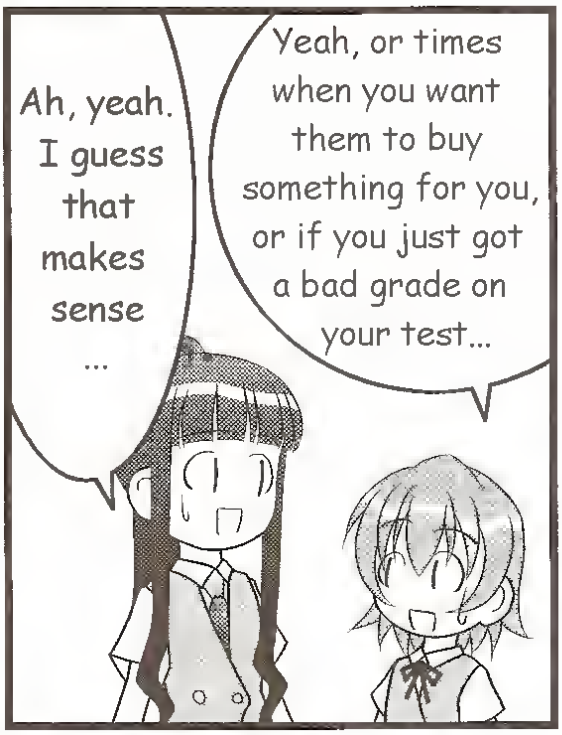
You guys
don't bathe with your dads?



Sometimes when you're low on money you take baths together and ask for an allowance ♪
Um, but you know...

Right! For us girls, bathing with our dads is like our ultimate weapon!



Ah, yeah. I guess that makes sense ...
Yeah, or times when you want them to buy something for you, or if you just got a bad grade on your test...

Actually, I always bathe with my dad when I'm back home ...

Let's all share them!
Yay, cool!
Senpai gave us some doughnuts from Mister Donut!
Who?!
No! They're not for me, I'm giving them to someone else!
Hey Makie! Did you take the remaining doughnuts?
Yeah... they're actually for...
Umm... they're for... umm...
They're for Kuririn!!

こんにちは、または、はじめまして、さようすけです。

今回は運動部4人オンリー本になりました。
というよりは、亜子アキ本。正確にいうとアキ亜子ですね。

なぜ亜子アキ？原作にそんな描写あったっけ？と思われるかと
思いますが、たぶん自分でもよくわかりません…
たしか一番最初のキッカケは、亜子の背中の傷で、話作れないかな、
作るとして誰といっしょだといいかなと原作読み返したのがそうかと。
なんかアキラってやたら亜子といっしょにいるような。
一度亜子アキとして読み返してみるとおもしろいかもしれません。
とくに修学旅行あたり。
肉まん食べすぎた亜子を心配するアキラ。
新幹線で亜子の隣にちゃっかり移動してきてるアキラ。
扉絵の班ごとの集合写真で亜子の肩を必要以上に抱きしめてるアキラ。

一度こんな見方したため、このニ人をまともな方向で見ることが
できなくなってしまいました。
それどころか妄想が止まりません。
誰か助けてください…

裕奈はあれです。お父さん子です。でも、あんまり情報がないのです。
どこまでお父さん子なのかわからないので、
お父さん好き好きレベルをMAX近くまであげてしまいました。
あれです。裕奈のパジャマはお父さんからもらったYシャツです。
もちろん、裸Yシャツ。

まき絵はアレです。ネタがなかなか思いつかないのです。
原作であらかたネタやりつくしてるからでしょうか。
なんというか新体操以外にも極端な特徴とかプロフィールがあれば…
嫌いな物：ぬるぬるしたもの
…これは、あれでしょうか？エロを描けということでしょうか？

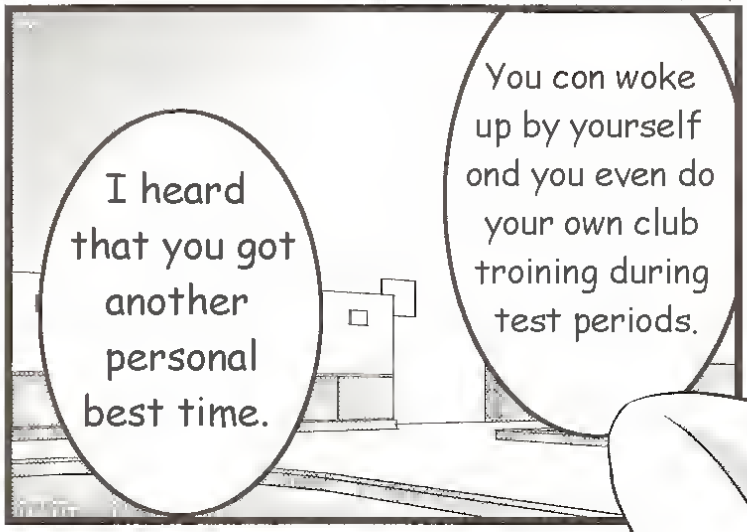
というわけで、次のページからは亜子アキ話です。
妄想が止まらなくなってるせいか話が途中で暴走するかもしれません。
かもしれないじゃなく確実に暴走してます。

それでは、あとがきで。

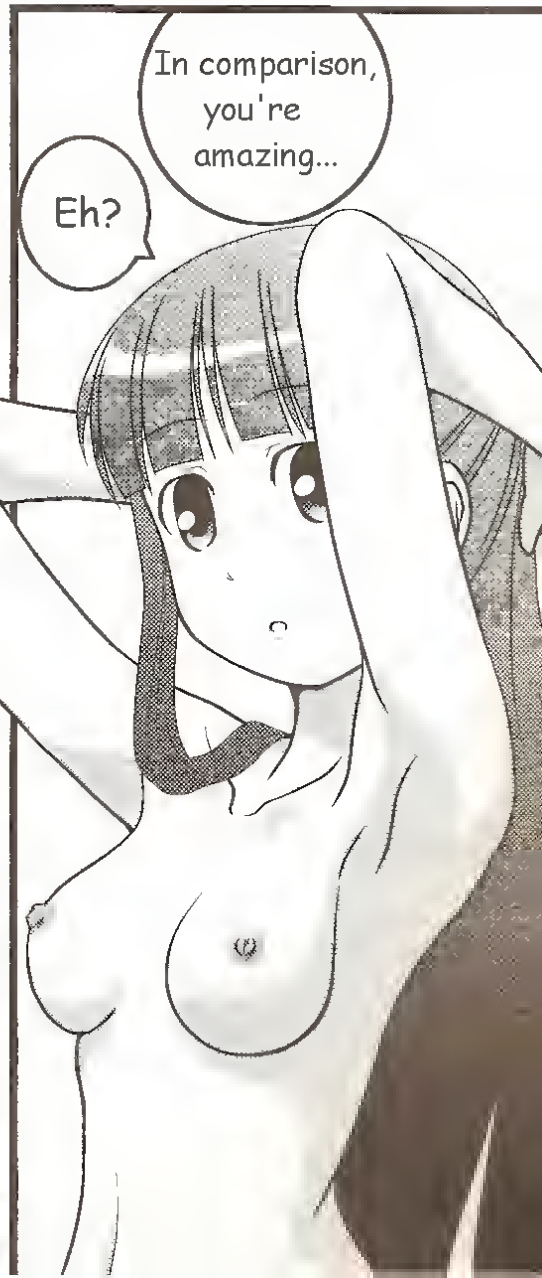
Wow! There's no one here!
大浴場「涼風」→
I guess it should be, it's early in the morning!
Yeah, it's almost like we reserved the place.
Makie and Yuuna said they were coming soon too, but they were fast asleep; so maybe they won't.

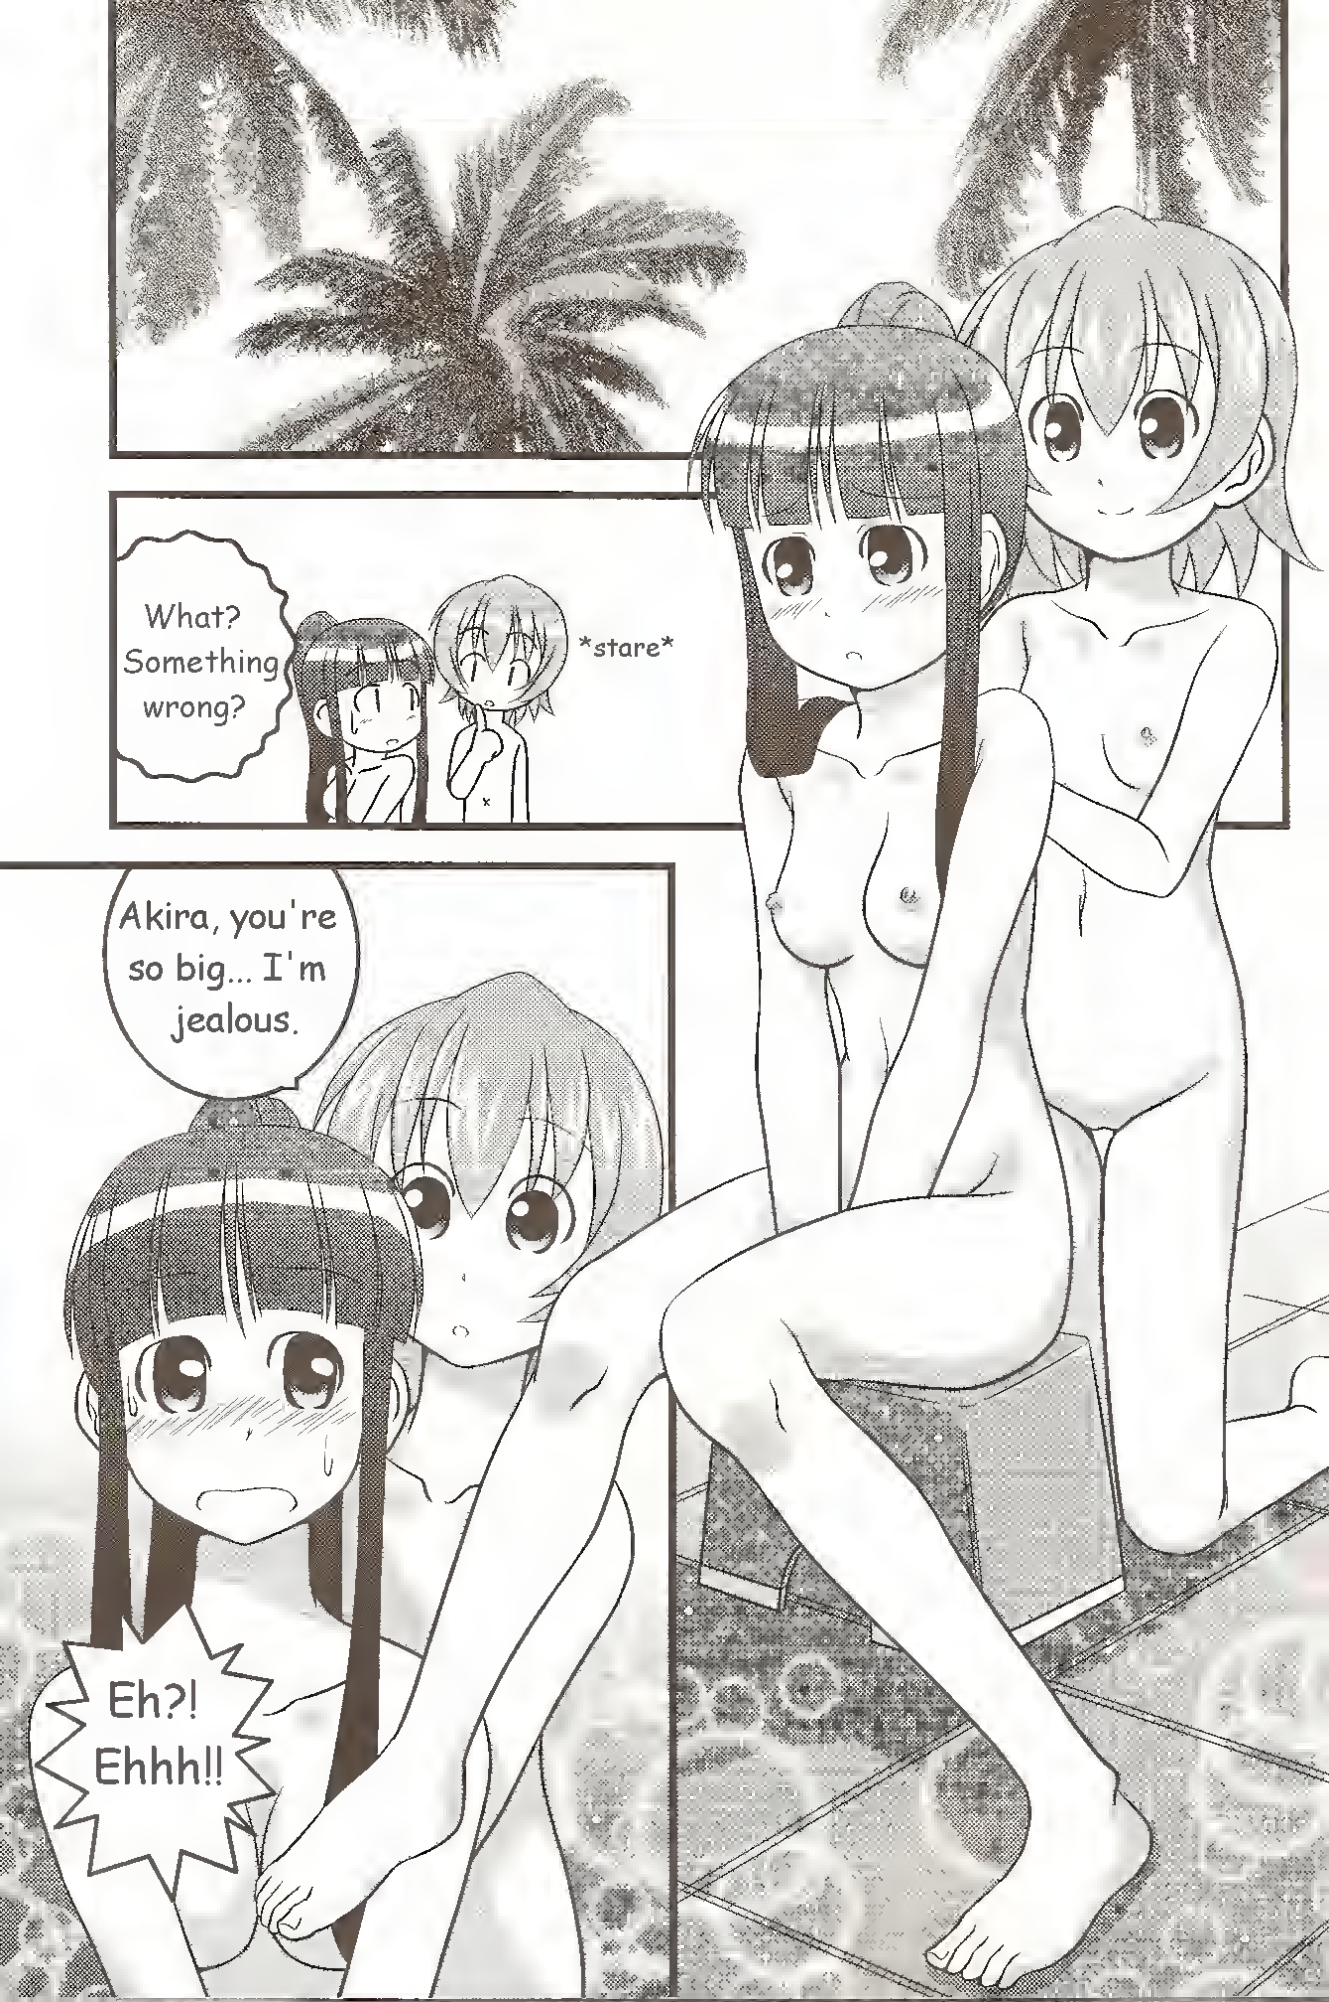
Da they really say things like that an lunch time TV?
So let's start studying in the mornings from tomorrow!
Mino-san was saying so at lunch!
I heard that studying in the morning is really effective!
They said they were going to get up eorly ond study for the test...
But they kept saying "5 mare minutes" and they wauldn't wake up even after 30 minutes..
It was their idea too to go take a bath to wake up...

Note: "Mino-san" refers to Mino Monta, a Japanese TV celeb



I heard that you got another personal best time.
You con woke up by yourself ond you even do your own club troining during test periods.





What? Something wrong?
stare
Akira, you're so big... I'm jealous.
Eh?! Ehhh!!

Being too big has its problems... Like they get in the way when I'm swimming...
It's nothing special ... Naba-san and Tatsumiya-san are bigger than me

Ehhh!!
Um, I was actually talking about your height...

Actually, I'd rather be your height, Ako...
Why? There's nothing good about being short...

But being tall must be so cool, it would be an advantage when playing sports, and gives you a nice figure

If you're this tall, you can't get carried in arms like a princess...
Cute clothes don't suit if you're tall
Also,
You're too cute!! Akira, you're just so cute!!
Ako, you're mean!
Carried like a princess ...
Eh...
Ah...
It's my turn to wash your back
Ako...

And I'm actually really flexible, so I can reach right down to the middle of my back!
You also woke me up this morning ...
あはは
ぎゅにゅう

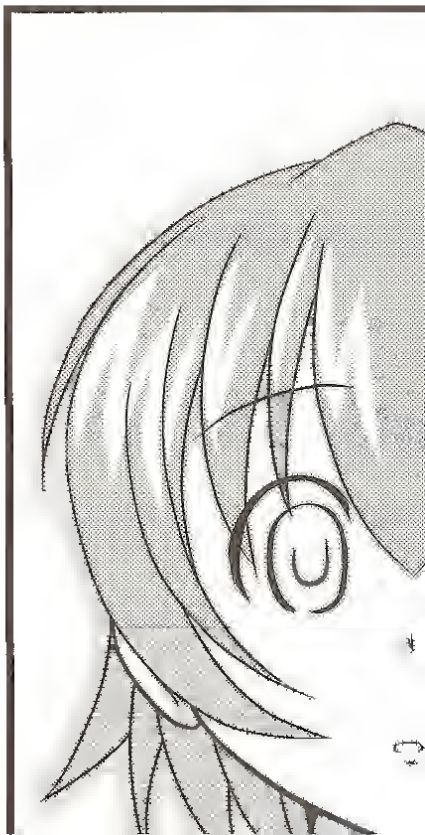
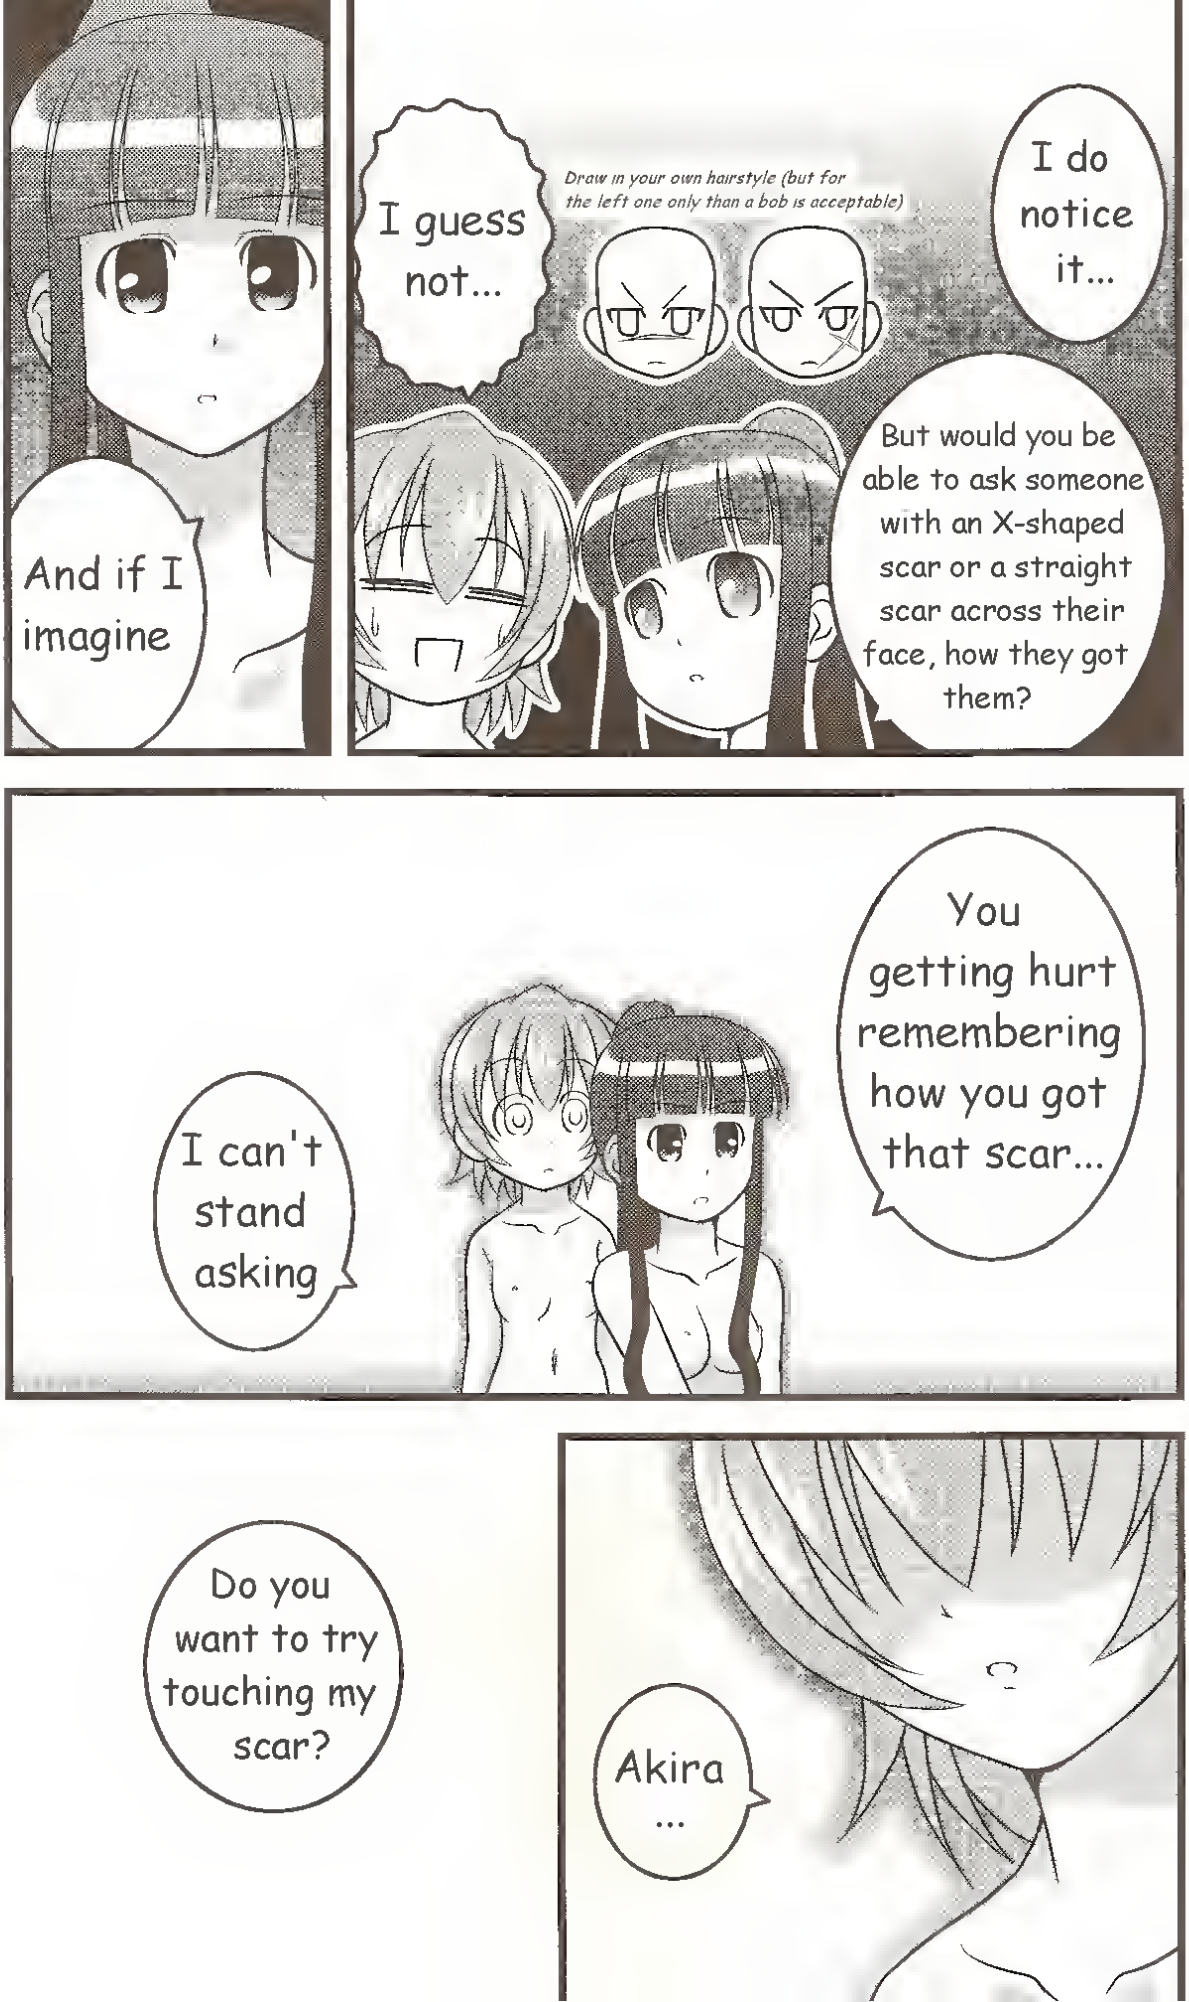
I'm the manager, so I don't have to train...
No, it's okay!

Sorry. I didn't mean to upset you
I'd forgotten about the scar on your back

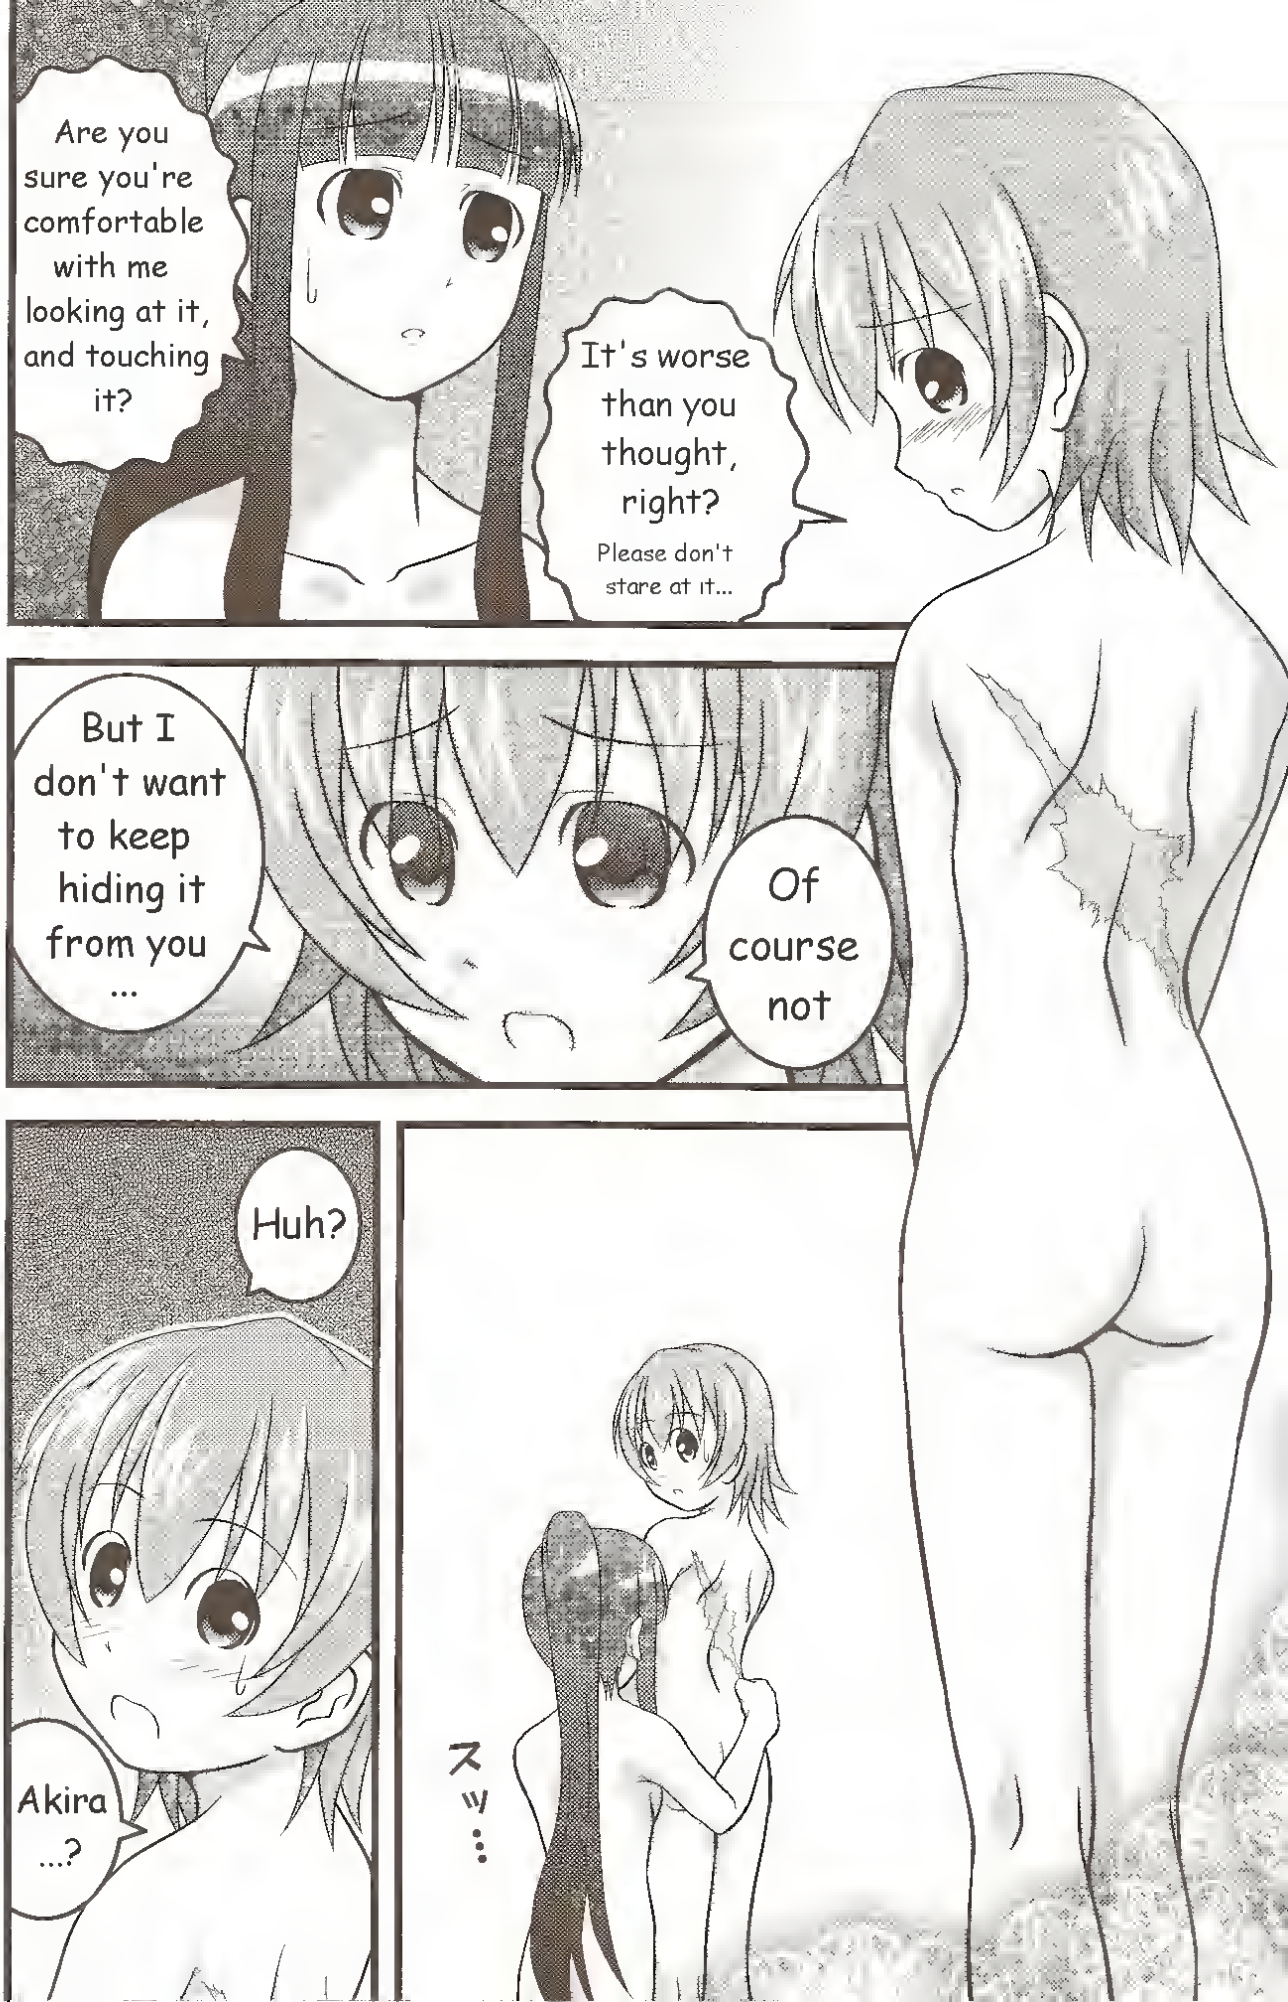
Sorry, Ako
What?

Why won't you ask about my scar?
People normally wonder
Akira ...



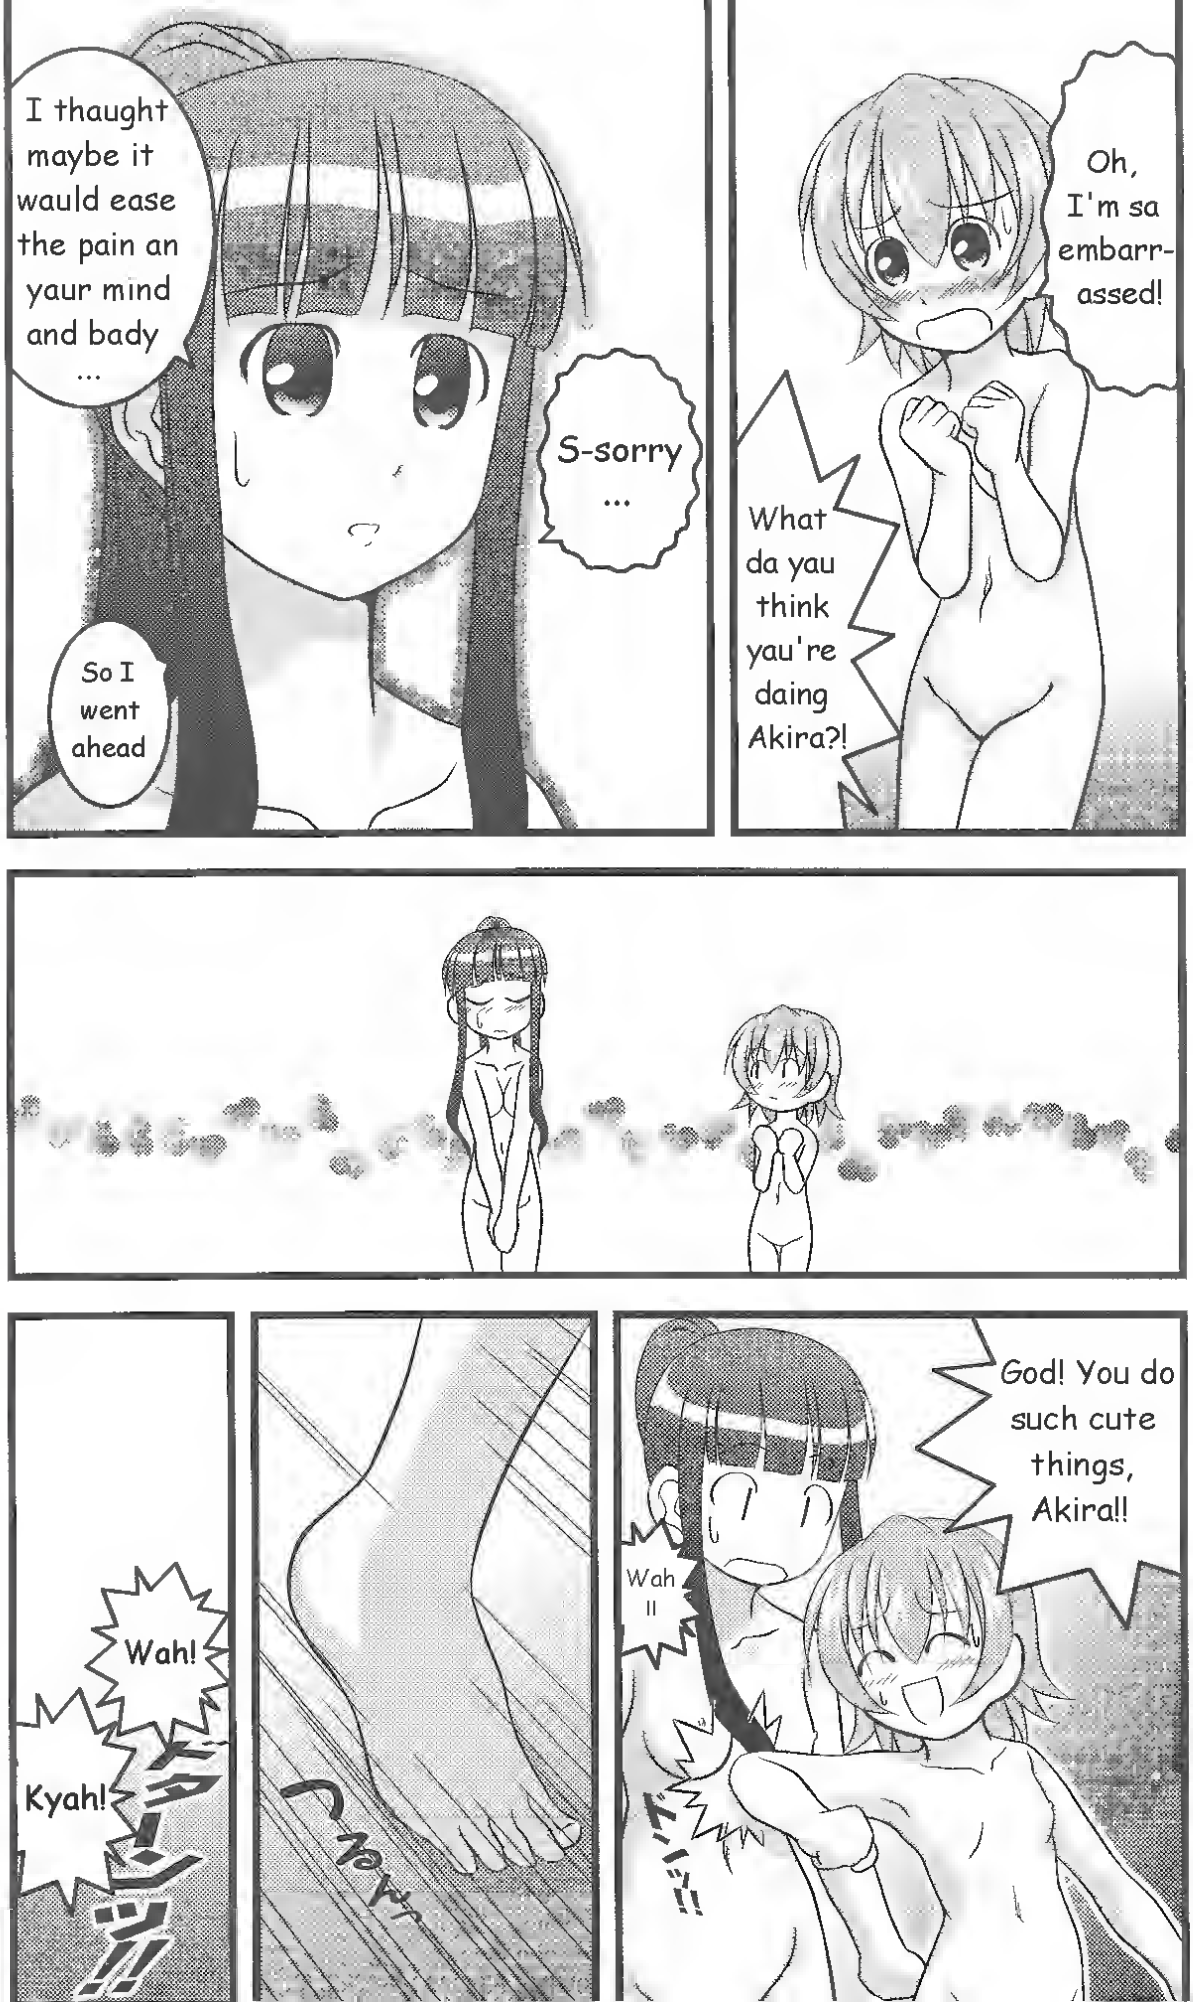


And if I imagine
I guess not...
Draw in your own hairstyle (but for the left one only than a bob is acceptable)
I do notice it...
But would you be able to ask someone with an X-shaped scar or a straight scar across their face, how they got them?
I can't stand asking
You getting hurt remembering how you got that scar...
Do you want to try touching my scar?
Akira ...

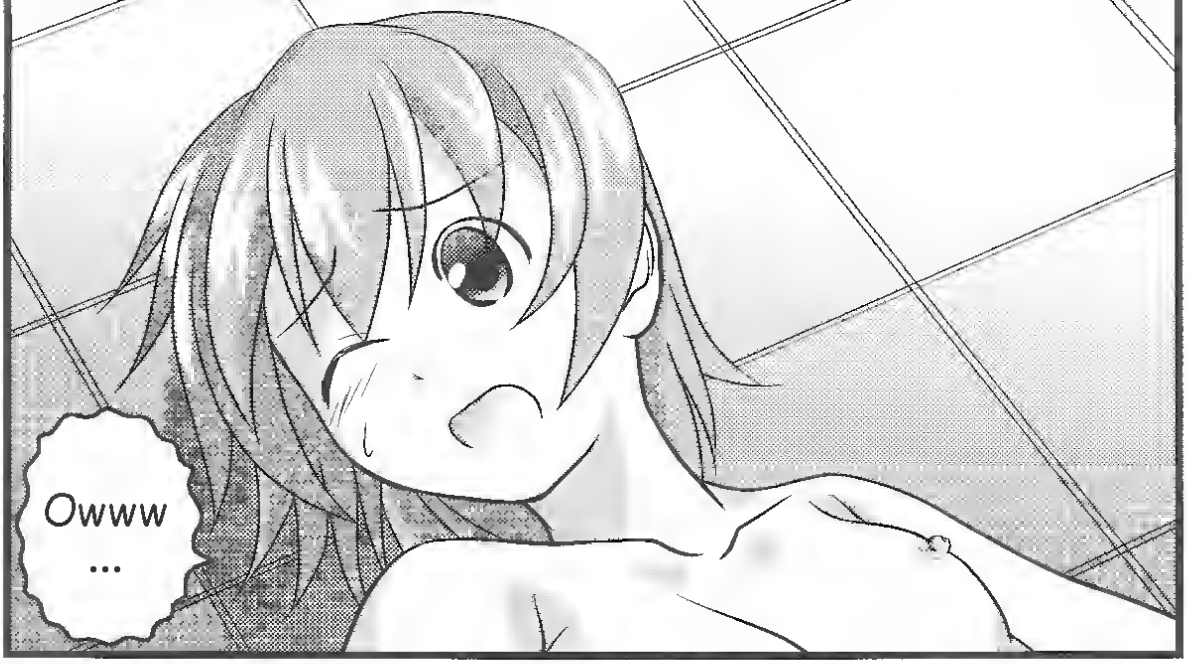


Are you sure you're comfortable with me looking at it, and touching it?
It's worse than you thought, right?
Please don't stare at it...
But I don't want to keep hiding it from you ...
Of course not
Huh?
Akira ...?
スッ…

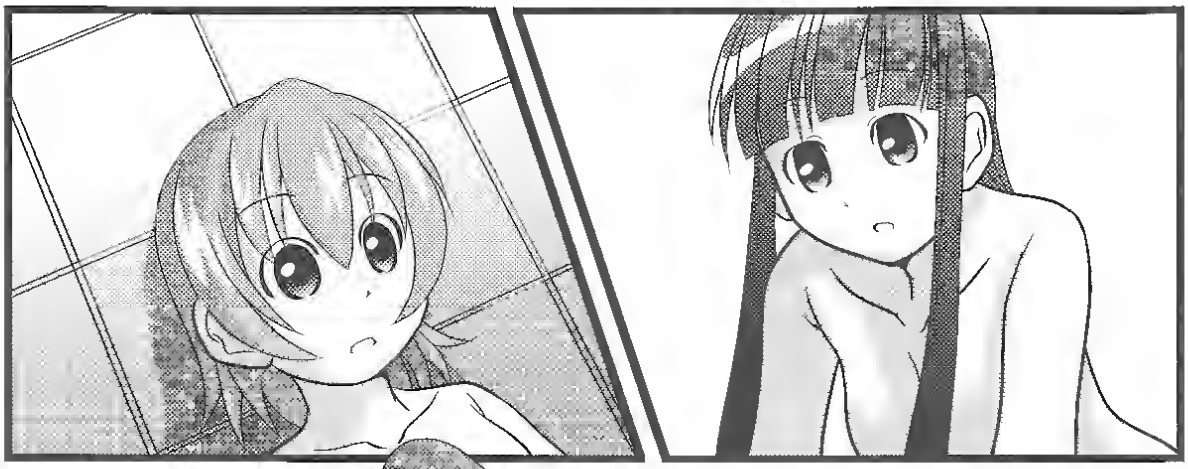
Hya!
ぺろっ
Hey... What are you doing ...?!
A-Akira ...?!
Yah!!
I taste soap ...
Well duh!!



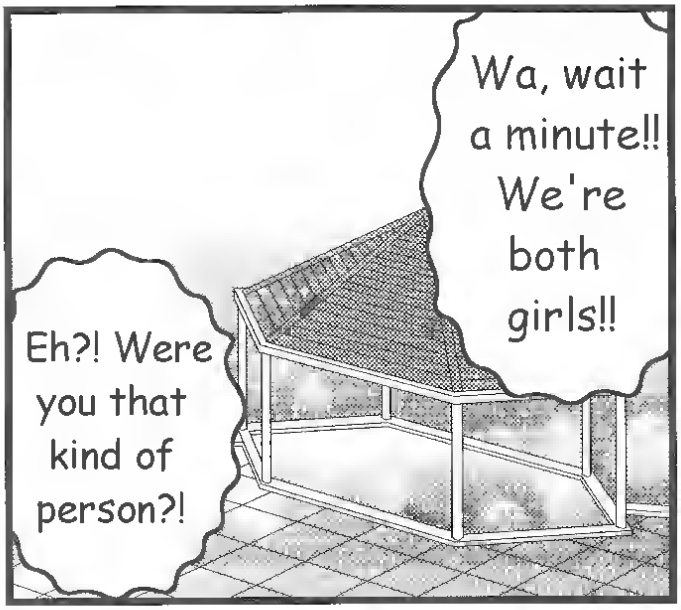
I thaught maybe it wauld ease the pain an yaur mind and bady ...
So I went ahead
S-sorry ...
Oh, I'm sa embarr-assed!
What da yau think yau're daing Akira?!
Wah!
Kyah!
ドタンッ!!
God! You do such cute things, Akira!!
Wah !!



Owww
...



Eh...
?!



Wa, wait a minute!! We're both girls!!
Eh?! Were you that kind of person?!

No I'm not really ...
But you're cute Ako, and I want to protect you

Ako, can I kiss you?

Me too ...
With you Akira, I'm fine

You can kiss me

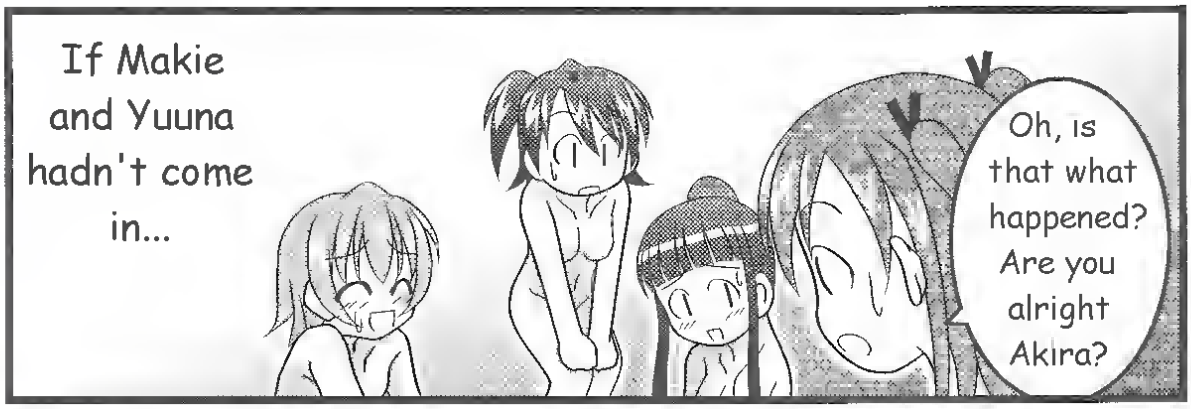
Hey Ako and Akira! Sorry to keep you waiting!

Phew! I finally woke up!

Whoa...

Ah

Ah... yeah!! Akira got dizzy after being in the bath too long, and she fell over with me underneath!
Good job, Akira
Ah... I'm feeling dizzy... (in monotone)
Help me? That's mean Ako...
Help you? Hold on, did Akira... with Ako...?!
No!! Umm... we were... help me!!
Akira... Ako... what are you guys doing?



If Makie and Yuuna hadn't come in...
Oh, is that what happened? Are you alright Akira?

And then?! What am I thinking?!
I would have kissed Akira, and then...

I wouldn't have minded doing it
But if it was with Akira...

亜子の背中の傷を中心に、と考えてつくった話なんですが…
不思議ですね。
「キズをさわる」がいつのまにか「キスをする」に変わってました。
ダジャレでしょうか？

今回わりとエロい感じになったのですが、いかがでしょうか？
ふだんのようなゆるゆるの1、2ページで完結の
おばかマンガのほうがよかったのかな…
個人的には同人誌はエロよりもそっちの方が好きなものでして。
かなり、感想とか気になります。

亜子アキの話はたぶんまたつくると思います。
いつになるか、は、わかりませんが。
なにせ、つくりたいキャラの話は山ほどありまして…
次は夏美中心ちづ姉、いんちょ、コタの
665号室住人本が描きたいなぁと。
その次はさよ朝本つくりたいなと。

…ネタは思いつくけど、描くのが追いつかない…

それではまた次の本で。
